

Sample Technical Collaboration Agreement (Demo Only)

DISCLAIMER: This is a fictional sample document created solely for academic demonstration and AI extraction testing. It is NOT an actual agreement between FPT Corporation and Qualcomm Technologies, Inc.

1. Parties

Party A: FPT Corporation
Party B: Qualcomm Technologies, Inc.

2. Project Information

Field	Value
Agreement No.	TADA-DEMO-2026-001
Project	AI Automotive Platform Collaboration
Effective Date	01 March 2026
Expiry Date	28 February 2028
Contract Value	USD 2,500,000
Currency	USD
Payment Terms	30% upon signing; 40% after prototype acceptance; 30% upon final delivery
Governing Law	Singapore
Confidentiality	Mutual NDA applies

3. Scope of Work

- Develop embedded software for Snapdragon automotive platforms.
- Integrate Edge AI inference and perception modules.
- Joint proof-of-concept demonstrations.
- Technical documentation, SDK support, testing and validation.

4. Deliverables

Prototype software, integration report, validation report, deployment guide and knowledge transfer sessions.

5. Signatures

FPT Corporation _____

Qualcomm Technologies, Inc. _____
